The Terrace at Rocky Knoll is a beautiful, energy efficient one and two bedroom affordable housing development for small families and seniors that was designed for comfort and convenience. It is located just off of South Randleman Road on Rocky Knoll Road with close proximity to shopping, services, banking, restaurants, churches and major highways.

All of the 48 units offer ground-level, non-ambulatory access with Energy Star HVAC systems as well as personal patio space, living and dining areas along with a fully equipped kitchen including range, refrigerator, dishwasher, garbage disposal and washer/dryer connections.

An attractive, brand new community building will feature the on-site management office, tastefully decorated activity room, resident computer center and communal laundry facility. Outdoor seating, a playground, picnic area, raised garden beds and generous landscaping adorns the properties exterior.
